

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

UNITED STATES OF AMERICA,

Plaintiff,

v.

JOSHUA BINDER,

Defendant.

Case No. CR06-41RSL

ORDER GRANTING EARLY  
TERMINATION OF  
SUPERVISED RELEASE

This matter comes before the Court on defendant's "Renewed Motion for Early Termination of Supervised Release" (Dkt. # 1107). The Court, having reviewed the motion, response, records, and files herein, as well as the factors set forth in 18 U.S.C. § 3553(a), GRANTS defendant's motion.

Mr. Binder initially moved for early termination of supervised release on July 5, 2022. Dkt. # 1100. The Court held a hearing on October 20, 2022, at which it commended Mr. Binder for his exemplary performance on supervised release but denied the motion. Dkt. # 1106. However, the Court indicated that if Mr. Binder continued to comply with the conditions of his supervised release without violations through March 2023, it would consider terminating supervision at that time. *Id.* The Court is pleased to learn that Mr. Binder has maintained his strong performance on supervision and is now satisfied that termination of supervised release is warranted by the conduct of the defendant and the interest of justice. *See* 18 U.S.C. §§ 3583(e)(1), 3553(a).

1 For all of the foregoing reasons, IT IS HEREBY ORDERED that defendant's motion for  
2 early termination of supervised release (Dkt. # 1107) is GRANTED.

3  
4 DATED this 3rd day of April, 2023.
